

Indie Author Project

CONNECTING INDIE AUTHORS, LIBRARIES, AND READERS

Thank you for choosing to build your library readership through the Indie Author Project (IAP). After submitting to IAP, your book can be shared with patrons of participating libraries all across your region and if your book is selected by our curators, it will also be available alongside other great indie reads in participating libraries across the U.S. and Canada.

In order to be included in your local indie collection, your submission must be:

- A PDF or ePUB file
- Properly formatted
 - Pages in correct order
 - Legible text
 - Free of watermarks
- An original work to which you own the rights
- Appropriate for a public library setting
 - No graphic images on the cover
 - Free of hate speech

The Indie Author Project reserves the right to exclude or remove any submissions at their discretion. If you have any questions about the program or submission process, please reach out to authors@indieauthorproject.com.
